BAFFLES

SUSPENDED ACOUSTIC BAFFLES

Create dynamic visual interest and design impact to your ceiling designs with the use of our 14six8 acoustic baffle systems.

Going against the norm in a plethora of available baffles, we're looking at them from a different angle.

Redefining modern expressionism of aesthetics, geometry and dimensionality that will accentuate your space and transform your interiors with these suspended landscapes, diffusing sound reverberation, improving acoustic performance and enhancing an overall sense of habitable comfort.
